

Hello!!

My name is Sara Sanna, and I live in Baratili. I'm 8 years old and I attend the third class of primary school. I like to play, run and jump, to stay with my friends, exploring nature. I go to the swimming pool and I ride horses. My mum's name is Tania, she was born in Montenegro but she's married in Italy.

Mum is a housewife. My dad's name is Antonello and is a policeman. I have two little cats: Toby and Sassy. I hate dolls, I play with the wii and video games nintendo. I agree to know something about you... I can't wait to meet you!!

What do you prefer to eat? I love a typical Montenegro's food, "pita", it seems to "cannoli" the pasta stuffed with vegetables and meat!! I don't like typical Italian pasta!!

See you soon

Sara
