

Hi Noé Chardome and Diego ,

I am Olcay İNCE..

I want to introduce myself and my family to you! I'm 14 years old .I was born in 1998 in Çaygökpınar village and I'm living in the same village. My father is a shipper and my mother is a housewife. I have just one brother. He is three years older than me. He is in a high school. I love my family and they love me, too. I'm a student and I'm going to primary school. My favorite lessons are Turkish and Mathematics. I want to be successful in my future life. That's why, I am studying so much.. I'm watching tv and reading stories after my lessons. I like summers very much. I enjoy going to picnic in summer. Often I often go to picnic with my family in summers. I like picnics, trees, flowers and grass too in summer. I'm sleeping on my house's roof and watching stars. I love my village and friends in this village. I love friends in school, too. We always have trips in countryside. I have 10 rabbits and 5 cows. Don't worry ☺ they are not dangerous , they are friendly.

I am so excited that we will meet next month and I am sure we will spend a good time together...

See you in TURKEY ...:))
